PROF REDA KAMEL
Cairo University
Egypt

INVERTED PAPILLOMA – ORIGIN ORIENTED MANAGEMENT

Professor Kamel is a professor of Rhinology at Cairo University, Egypt. His main interest is Endoscopic Sinonasal Surgery, Allergy and Sleep studies. He had his Fellowship at Johns Hopkins University, USA. He published more than 30 articles in the field of Endoscopic sinonasal surgery and a book titled Anatomy of the Lateral Nasal Wall, Ostiomeatal complex and Anterior Skull Base. He has made more than 425 presentations and participated in more than 135 FESS courses all over the world. He introduced four new sinonasal endoscopic instruments manufactured by Karl Storz Co. and distributed worldwide.

He has the privilege of serving as the founding president of the Pan Arab Rhinology Society [PARS] and Egyptian Rhinology Society [ERS].

Professor Kamel is the X-President of the International Rhinologic Society [IRS], X-President of the International Society of Infection and Allergy of the Nose [ISIAN] and was the president of the IRS/ISIAN/PARS Conference in Dubai, November, 2014.

Professor Kamel received many international rewards, the latest is The Arab Health Karl Storz Award for Excellence in Teaching [2006]. It was awarded to him because of his untiring contributions to the advancement of sinus endoscopy skills around the middle east. He received also many national rewards including; the Prize of the Academy of Scientific Research [1991], the National Prize of Encouraging Scientific Research [1992], the Egyptian National Reward in Advanced Scientific Research [2006]
