PROF SATISH JAIN

Jain ENT Hospital
Jaipur, India

IMPACT OF RADIOLOGY ON IMPROVING OUTCOMES OF SINONASAL PATHOLOGIES

Dr Satish Jain belongs to pink city of India, Jaipur. He owns the busiest, state of the art, ENT and skull base surgery centre in India and has an experience of performing more than 100,000 ENT surgeries including more than 3000 major skull base procedures over the span of more than 20 years. He is an innovator, researcher and a teacher par excellence and has trained over 500 ENT surgeons there and devised many new surgical techniques. He is in forefront of academics and organized many national and international workshops and conferences and has been invited to over 300 national and international workshops for live surgical demonstrations, orations and keynote addresses. For past 2 months he has been conducting many unique live surgical demonstration webinars wherein he is demonstrating varieties of ENT, Head & Neck and skull base surgeries, each one of the webinar attended by over 10,000 surgeons across the world and the entire unedited material of over 120 hours of demonstration is available on YouTube. He is an accomplished skull base surgeon doing endoscopic ventral skull base, microscopic lateral skull base and transcranial and transfacial procedures at same pace and efficiency believing in concept of skull base 360 degrees.
