DR RICK CHANDRA
Vanderbilt University
Nashville, USA

MY MOST INTERESTING CASE DURING THE COVID- 19 PANDEMIC

Rakesh (Rick) Chandra is Professor and Division Chief for Rhinology and Skull Base Surgery at Vanderbilt University Medical Center in Nashville, TN (USA). He has been Course Director for multiple international CME conferences including the American Rhinologic Society (ARS) Summer Sinus Symposium, the North American Rhinology and Allergy Conference, and Rhinoworld Chicago 2019. He has also participated as Invited Faculty in Shanghai, Melbourne, Auckland, London, India, Cuba, and Switzerland. Dr. Chandra has served on the boards of the ARS, the Intersocietal Accreditation Commission, and multiple peer reviewed journals. Presently he is on the ARS Executive Committee as Secretary, and is Editor-in-Chief for Ear Nose and Throat Journal. Dr. Chandra is holder of the Endowed Directorship in Otolaryngology Leadership and Educational Development at Vanderbilt. Recently he completed a Masters in Business in the Healthcare Management program at the Vanderbilt Owen Graduate School of Management. Dr. Chandra completed Fellowship in Rhinology and Skull Base Surgery at the University of Pennsylvania in Philadelphia, PA (2003) and has also served on faculty at Northwestern University in Chicago, IL. He has authored over 150 peer reviewed publications, written multiple chapters, and has edited three textbooks.

DR KAZUHIRO OMURA
The Jikei University School of Medicine
Tokyo, Japan

ANTERIOR SKULL BASE TUMOR RESECTION & NEW APPROACHES TO SINONASAL TUMOR

Dr. Omura graduated from the Jikei University School of Medicine Tokyo JAPAN in 2004. After completing a short-term exchange at the St. Thomas Hospital in the United Kingdom as an exchange student with the selected grant from the Jikei University. An initial clinical internship started at the Asahi General Hospital and a fellow in the Otorhinolaryngology department in 2006.

Dr. Omura engaged in medical care in Asian countries through NPO JAPAN HEART from 2006 to 2008. During these two years, Dr. Omura entered the Diploma of Tropical medicine & hygiene at Mahidol University Thailand but was suspended to assist the cyclone victims that hit Myanmar, which happened immediately after that. In Cambodia, he also trained local emergency medical staff as a short-term expert of JICA.

Since 2009, he has been admitted to the otorhinolaryngology department at the Jikei University School of Medicine.

As an otolaryngology department, he specializes in endoscopic sinus surgery and skull base surgery and doing the highest numbers of sino-nasal malignant tumor resection by an endoscope. Dr. Omura reports six novel surgical techniques and has transmitted its techniques of endoscopic approach to tumors in the nasal cavity, skull base, and orbital region to the world as well as Japan.

Launched NPO knot Asia in 2016 with the concept of "connecting the country with medical care and education," Dr. Omura and his team are upgrading the endoscopic sinus surgery in Asian countries such as Cambodia, Myanmar, and Lao PDR.
